CONTRACT IS STEVE BANNERJEE. BANNERJEE IS A U.S. CITIZEN BORN IN INDIA. BANNERJEE OWNS A COMPANY, EASBE ENTERPRISE, TRADING AS CHIPPENDALE, INC., 2115 PICO, SANTA MONICA, CALIFORNIA, 90405, TELEPHONE (213) 396-4045. CHIPPENDALE RUNS CLUBS AND TROUPES OF MALE STRIPPERS. THE COMPANY STARTED ABOUT 12 YEARS AGO, IN A CLUB ON OVERLAND AND CULVER BOULEVARD, CULVER CITY, CALIFORNIA. THE EXISTING CLUB WAS THE VENUE FOR FEMALE MUD WRESTLING. POTENTIAL. BOUGHT THE CLUB AND CALLED IT CHIPPENDALE BECAUSE IT HAD GOOD FURNITURE.

BANNERJEE TOOK ON A PARTNER NAMED NICK DENOYA WHO HAD BEEN A DIRECTOR OF CHILDREN'S TELEVISION PROGRAMS. THERE WAS FRICTION OVER THE ARTISTIC DIRECTION. BY 1983, THE CLUB HAD MOVED TO LOS ANGELES, AND WAS AT ITS HEIGHT. BANNERJEE SENT DENOYA TO NEW YORK TO OPEN A CLUB. THIS CLUB STILL EXISTS AT 1111 FIRST AVENUE, NEW YORK, NEW YORK. [REDACTED]

[REDACTED] IN 1985 BANNERJEE DECIDED THAT HE WOULD RUN THE LOS ANGELES CLUB PERSONALLY AND HIRED A NEW CHOREOGRAPHER. [REDACTED]

[REDACTED] THIS CHANGE WAS NOT POPULAR. SOON AFTER, BANNERJEE LOST HIS LIQUOR LICENSE IN LOS ANGELES, CALIFORNIA, FOR SERVING MINORS AND BREACH OF FIRE REGULATIONS.

MEANWHILE THERE HAD BEEN TROUBLE AT THE NEW YORK CITY CLUB BECAUSE OF DRUGS, BELIEVED CAUSED BY DENOYA. BANNERJEE GOT DENOYA THE ROAD RIGHTS FOR THE TOURING COMPANY TO GET HIM OUT OF THE CLUBS. BANNERJEE SOON DISCOVERED THAT DENOYA WAS MAKING A LOT OF MONEY FROM TOURING. BANNERJEE STARTED ANOTHER TOURING

DANCERS.

WITHOUT A LIQUOR LICENSE. CHIPPENDALE'S OPERATION IN LOS
ANGELES, CALIFORNIA, WORKS IN A CLUB CALLED "CARLOS AND
CHARLIE'S," SUNSET BOULEVARD, LOS ANGELES, CALIFORNIA.

BANNERJEE IS 42 - 45 YEARS OF AGE, ASIAN APPEARANCE, AND
DESCRIBED AS UNATTRACTIVE. LAST KNOWN TELEPHONE NUMBER WAS (213)

2 to Be Arraigned in Alleged Scheme to Have Dance Troupe Workers Killed

By JIM HERRON ZAMORA
TIMES STAFF WRITER

Two Newhall men who allegedly offered another man \$50,000 to poison two employees of a male exotic dance troupe with cyanide are scheduled to be arraigned in federal court today.

According to federal prosecutors and court documents, Augustine Colon, 46, and his brother-in-law, William Barnes Jr., 31, hired a man to kill the business manager and master of ceremonies of the Adonis troupe, which is based in England.

But the man hired to do the killings turned FBI informant and helped agents record four of his conversations with Barnes and Colon, Assistant U.S. Atty. Jean Gilliland said.

Adonis is a group of mostly American male strippers who have recently toured

South Africa, Australia, Hong Kong and England, Gilliland said. Barnes' attorney, Paul E. Potter, maintained that his client had no connection with the troupe, which he said usually does shows "for wealthy older women."

"My client has absolutely nothing to do with Adonis and nothing to do with these charges," Potter said. "When the facts are known, Mr. Barnes will be vindicated."

Colon's lawyer could not be reached for comment.

Colon and Barnes are charged in a six-count indictment with conspiracy and using interstate commerce facilities, such as long-distance telephone lines, in an alleged attempt to arrange the murder of Steve White, the troupe's Australian business manager, and Read Scott, the emcee. They each face up to 35 years in prison if convicted, Gilliland said.

After their arrests Aug. 2, a federal magistrate ordered the two released on \$100,000 bail and confined to their homes. U.S. District Judge Manuel L. Real later overruled the magistrate and ordered the men held without bail, Gilliland said.

"We thought they were a danger to the community," she said.

Court documents do not mention any motive for the alleged murder scheme, and Gilliland declined to comment on the topic or on whether the suspects were connected to the dance troupe.

2 Men Plead Innocent to Plotting Killings

Two Newhall men pleaded innocent Monday to charges that they tried to arrange the murder of two employees of a male striptease dance troupe, the U.S. attorney's office said.

Augustine Ralph Angel Colon, 46, and William Nelson Barnes Jr., 31, were charged with conspiracy and with using interstate commerce facilities, such as long-distance telephone lines, to arrange a murder for hire, Assistant U.S. Atty. Sean Berry said.

The pair allegedly offered another man \$50,000 to poison with cyanide two employees of Adonis, a British-based troupe of mostly American male strippers that has toured extensively overseas. Authorities have declined to give details of any connection between the defendants and the dance revue and its employees.

If convicted, Colon and Barnes could each face up to 35 years in prison.

Their trial was scheduled to begin Oct. 15 before U.S. District

Judge William J. Rea, Berry said. The two were being held without bail at the Metropolitan Detention Center in Los Angeles.

Two plead innocent to murder-for hire charges

By MIKE KLINGBEIL
Signal staff writer

LOS ANGELES — Two Ne-
whall men are expected to be tried
in federal court on charges they of-
fered \$50,000 to a man — who
turned out to be a government infor-
mant — to kill two men affiliated
with a male exotic dance troupe.

Augustine Colon, 46, and his
brother-in-law, William Barnes Jr.,
31, entered innocent pleas in U.S.
District Court on Monday to six
counts of conspiracy to commit
murder and using interstate and
foreign commerce to commit mur-
der, Assistant U.S. Attorney Jean
Gilliland said Tuesday.

The trial is expected to start Oct.

15 at U.S. District Court and last at
least a week, Gilliland said.

Prosecutors allege Colon and
Barnes asked the informant last
month to deliver a cyanide mixture,
that they reportedly concocted, to
London, Britain, where the Adonis
troupe is based.

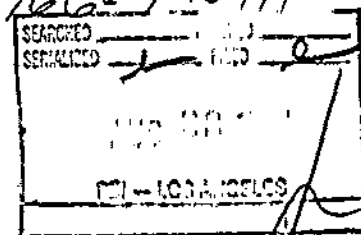

Prosecutors charged they were
trying to have Steve White, the

troupe's business manager,
Read Scott, the emcee, killed.

An additional \$1,200 was
vided to the informant for travel
penses, she said.

Gilliland did not say what
vated the men to allegedly
White and Scott or what, if
connection Colon and Barnes

work day — if the drivers are running on time.

Bus operators are not allowed a lunch hour or half-hour meal break, he said, but added this is not required by law. The complaint alleges drivers work 10-hour shifts on Saturdays without a break. Navarette said he does not know how long drivers work on Saturdays.

He said bus drivers have been told that, if they need to go to the restroom during a shift, they may do so with the permission of their dispatcher.

"Basically, we're looking into revising the schedules, along with the

light."

City Transportation Manager Mike Prior said the city is not yet discussing route changes with Ryder officials. He said the issue may be discussed during the review of the service's first month of operation. The service began Aug. 5.

Prior added city officials will not investigate the complaint until Ryder is finished doing so. "We want to give ATE Ryder the opportunity to handle their employee matters. One of the reasons the city went with a contract was so the city wouldn't have to handle employee matters."

Murder

the dance troupe.

Attorneys for the accused men declined to comment Tuesday.

The informant was wired and conversations during the alleged transfer of money made between the three men recorded, Gilliland said.

Federal agents on Aug. 2 raided the Hillsfall Court home Colon and

Barnes share and found 46 grams of cyanide and a gun, Gilliland said. No further details were available.

Shortly after their arrests, a federal magistrate ordered the men held in custody without bail, Gilliland said Tuesday. "They're a danger to the community," Gilliland said.

Both men were being held at the Metropolitan Detention Center in downtown Los Angeles.

They face a maximum of 35 years in prison if found guilty of the charges.

STEVE BANERJEE, owner of CHIPPENDALES, 2115 Pico Boulevard, Santa Monica, California, telephone number (213) 3986-4045, was interviewed and he furnished the following information:

It is noted that the interview was conducted in response to BANERJEE's efforts to contact the FBI at Los Angeles to furnish information in which he stated that he had been concerned over his safety. At the onset of the interview, BANERJEE advised that he was not specifically in fear of his life but that the information he was about to furnish concerned activities that had been going on for the previous six months in connection with his CHIPPENDALES male dance group at New York City, New York. BANERJEE furnished the following information:

BANERJEE advised that he operates CHIPPENDALES which is a male dance group and that he has currently ongoing about six or seven dance groups operating in the United States and England. He stated that he has a small dance group operating in Los Angeles, a dance group that operates occasionally in Las Vegas, a dance group that travels the United States to various cities and one that operates in New York City. In addition, he has three dance groups that are presently operating in London, England. He stated that the information that he was about to furnish concerns the dance group that operates in New York City at 1110 First Avenue, New York City, New York. In regards to this CHIPPENDALES New York location, he conducts his business there in association with [redacted]

[redacted] He stated that this group has arranged for the lease of the property and the necessary licensing permits and that they get paid on a month-to-month basis. He stated that he is in charge of the entire dance group and business operation in New York and utilizes the services of [redacted] to run the New York business.

BANERJEE advised that sometime between February, March or April, 1991, or about six months ago, that there took place a bachelorette party among the patrons at his New York dance group. In the course of the performance by one of the dancers [redacted]

[redacted] that one of the girls in the group touched [redacted] BANERJEE stated that he was not present during this situation but he had been told this by the different persons that were there. He said

persons. [REDACTED] advised that he had no intention of reporting the assault to the Police Department to which BANERJEE advised that he would not pay or put forth any assistance unless [REDACTED] filed a police report.

BANERJEE identified this JOHN and TONY's PIZZA business as an Italian restaurant across the street from his business and the location where several persons would get together and meet. He suspected these people were associated or involved in organized crime activities. He stated that in years past, his company in New York had been doing business with JOHN and TONY's PIZZA in that they would supply food for a restaurant that he operated on the second floor of his New York business. He stated that in the recent past, this business changed hands and that the new people that owned the business applied pressure [REDACTED] asking that CHIPPENDALES should pay them a certain amount for the bar patrons and then later for a certain amount for each patron at CHIPPENDALES [REDACTED] was told that this payment was protection money and that bad things would happen if CHIPPENDALES or BANERJEE did not pay this money.

BANERJEE stated that he was never contacted personally but that the messages were given to [redacted] would then relate them to himself. [redacted] he had no intentions of making any payments to the persons out of JOHN and TONY's PIZZA business whom he did not identify other than to say he believed they were involved in organized crime activities. BANERJEE recalled a conversation that he had between himself and [redacted] stated that he, BANERJEE, did not understand how business was done in New York and that the incident involving [redacted] as well as the above demands should not be reported to the police and that if he reported it to the police or the FBI that nothing would take place because of the numerous and greater other problems in the New York area.

Nevertheless, BANERJEE advised that he contacted the FBI in New York on two different occasions on April 25th and 26th to report these problems. To his knowledge, nothing ever took place nor was he recontacted by the FBI.

BANERJEE advised that he continued to receive pressure by these organized crime people [redacted] and that he finally decided to take matters into his own hands by contacting an individual whom he knew to be acquainted with organized crime-type individuals. He declined to identify this person other than to say that he met him through another person who was involved in the ownership and promotion of theater acts. He stated as a result this person traveled into New York including the Brooklyn and Bronx area and spent a week on behalf of BANERJEE in an effort to resolve these extortion demands on his New York business. Reportedly, this person met with people out of JOHN and TONY's PIZZA including [redacted] (LNU) and others. He stated that this person then reported back to him and told him that he shouldn't pay any money but that they had dealt a hard deal and still wanted a piece of the liquor business. This person said that he should not pay anything and that in fact he should get out of the food business relationship with the pizza restaurant. BANERJEE stated that he hasn't discontinued the food business and that he has not made any payments and did not intend to. The person that went on his behalf stated that he would continue to keep tabs on the New York matter and if anything came up that he, BANERJEE, should advise this b6

person. He stated that this action on behalf of BANERJEE's interest took place a couple of months ago and that he in fact still owes this person his expense money for the week that it took for him to resolve this matter.

BANERJEE also advised that this same person was also instrumental in handling a couple of other problems and/or booking arrangements although he did not represent him as a booking agent but rather as an individual knowledgeable with persons connected with or associated with organized crime activities. He stated he recalled that he had to pay this person \$5,000 on a deal which netted himself \$50,000. He also stated that there was another business deal in which he paid this person some money and that he intended also to give this person another percentage of profits in connection with an upcoming several week performance in Las Vegas, Nevada, which this person was somewhat responsible for "arranging."

BANERJEE advised that the only other incident involving a problem that he has had in connection with his business, CHIPPENDALES, occurred over a matter involving his CHIPPENDALES' production in England. He stated that he sent over a front man to survey the business opportunities in England whom he identified as [REDACTED]. He stated that [REDACTED] did all the preliminary surveys and thereafter they opened the CHIPPENDALES act in London. [REDACTED]

[REDACTED] other representatives on behalf of BANERJEE went to London to conduct the business. This included [REDACTED] who in effect took control of CHIPPENDALES activities or matters in England. [REDACTED]

He stated that the problem was diffused over this and he then bought off [REDACTED] contract and [REDACTED] is no longer associated with CHIPPENDALES.

_____ and considered STEVE BANERJEE a reasonable man to work for or at least a man of his word.

_____ advised that _____ stayed with BANERJEE's CHIPPENDALES business including going to London to do their show but had left CHIPPENDALES employment _____

_____ stated that he had heard rumors to the effect that BANERJEE would "get even" with persons who left his employment or went to work for a competitor. He did not know the sources of these rumors and did not feel that he was at all threatened by these comments. He stated that he did give this some thought when he initially heard such rumors inasmuch as he recalled that in 1987, NICK DE NOIA was killed in New York after an apparent business dispute with STEVE BANERJEE. In this regard, he stated that DE NOIA was in effect the choreographer for the New York end of the CHIPPENDALES tour group and was forced to quit after a dispute with BANERJEE but continued to get paid royalties over some business agreement that he had previously made with BANERJEE. He stated in that DE NOIA had been in charge of putting together the shows and touring groups for CHIPPENDALES before STEVE MERRITT and himself joined CHIPPENDALES. FULLINGTON said that everyone thought that BANERJEE may have had something to do with DE NOIA's death but the case was never solved.

When asked whether there were threats by BANERJEE of getting even with former employees for leaving, _____ stated that to some extent pressures were put on the various dancers not to leave the CHIPPENDALES tour group. These threats however were more in the form of innuendo rather than explicit statements. He stated that most of the intimidations took place when the show first got started. One of BANERJEE's intimidation techniques was sending unknown individuals to _____ rehearsals to interrupt them. He said he felt a little threatened but has since discounted any threat to his safety and in fact felt he could go back to work for BANERJEE if he so wanted.

_____ stated that _____ had previously worked for BANERJEE _____ with CHIPPENDALES and was promised more money and a better position but never received any so he went to work with the ADONIS group. In addition, _____ BANERJEE never got along so there was more of a personality conflict between the two. He said this also applied in terms of any disagreements _____ with STEVE BANERJEE which _____ also described as a personality conflict.

New York Division is enclosing original subpoenas not executed in this matter due to the fact that both airways have stated no records, as requested in this matter, were located.

New York has been advised by Los Angeles that records possibly exist, however, Assistant United States Attorney at Los Angeles, California has made necessary contacts to obtain these records and to have persons from these airways be available for trial in captioned matter.

Due to the fact that no further investigation is indicated at New York, this matter is considered RUC.

Re: United States of America v.

[redacted]
Case #: [redacted]

Gentlemen:

b6
b7C

This letter is submitted in response to the subpoena served on our office in connection with the above matter.

Please be advised that we have carefully reviewed our records both in California and our central records in New York and find the following information regarding [redacted]

[redacted] made a reservation through Casino Travel Agency in Los Angeles (818-891-1727) for the purchase of one round trip ticket to London from Los Angeles on our airline. The reservation were for July 12, 1991 returning July 19, 1991. However, on July 11, 1991 our records indicate that Casino Travel Agency canceled the reservations of [redacted]. Consequently no tickets were issued by Virgin Atlantic Airways to [redacted]. Therefore based on our records, [redacted] did not travel at any time on Virgin Atlantic Airways. A copy of our records indicating this information is enclosed.

Obviously, given the fact that [redacted] did not travel on our airline, there is no need for any personal appearance in this matter by anyone from Virgin Atlantic Airways.

[REDACTED] STEVE BANERJEE, the owner of CHIPPENDALES, and NICK DE NOIA, who was the director of CHIPPENDALES. He advised that DE NOIA had previously been a Hollywood writer/producer/director and was knowledgeable in the area of promoting shows. He stated that STEVE BANERJEE owned a club on the west side of Los Angeles on Overland Boulevard named CHIPPENDALES which at that time had females mud wrestling. He stated that he heard the story that on a slow night, a group of males performed a male strip act which appealed to women. Apparently it was successful and they continue this production and expanded it to five nights a week. NICK DE NOIA apparently heard about this group and saw the show and thereafter teamed up with STEVE BANERJEE and produced the male strip show along the lines of a professional or Hollywood type show. As a result, DE NOIA and BANERJEE became partners in this CHIPPENDALES male strip show. [REDACTED] advised that he learned of this information through conversations both with DE NOIA and BANERJEE.

[REDACTED]

[REDACTED] hired by STEVE BANERJEE. He stated that at this time, NICK DE NOIA was in New York putting together the New York version of the CHIPPENDALES show. [REDACTED]

[REDACTED] immediate supervisors were STEVE BANERJEE who ran the club or business and NICK DE NOIA who directed or ran the show. He stated that there were two (2) clubs, one in New York and one in Los Angeles. [REDACTED]

[REDACTED] NICK DE NOIA was more involved in the New York show.

[REDACTED] advised that NICK DE NOIA had a choreographer and writers working for him. He stated that DE NOIA's choreographer was [REDACTED] but he did not know the names of his writers. He stated the writer would write a script for the emcee who would then emcee the particular show involving the different male strippers. He advised as [REDACTED] was the emcee for the CHIPPENDALES act in Los Angeles, however, he did not know the name of the emcee for the New York show.

[REDACTED]
[REDACTED]
[REDACTED] stated it was about this time that STEVE BANERJEE hired [REDACTED] of the Los Angeles CHIPPENDALES show while NICK DE NOIA primarily ran the New York show utilizing his assistants, [REDACTED] and others.

[REDACTED]
[REDACTED] stated that apparently STEVE BANERJEE was not pleased with NICK DE NOIA and as a result they agreed that NICK DE NOIA would have the road or traveling rights for the CHIPPENDALES show and that STEVE BANERJEE would have the club rights both for the Los Angeles and New York club. DE NOIA had one road show or touring group show which performed in the northeast area of the United States and parts of Canada. [REDACTED]
[REDACTED] BANERJEE found out that DE NOIA was doing very good on his touring show so BANERJEE started his own road show operating in both the

At this time, there developed a court battle between DE NOIA and BANERJEE over who had rights to what in connection with the CHIPPENDALES male strip show. Then in early 1987, NICK DE NOIA was murdered in New York. As a result of this, BANERJEE subsequently obtained all rights to the CHIPPENDALES shows including the stationary and touring groups which was very profitable.

_____ advised he was aware of the fact that STEVE BANERJEE and NICK DE NOIA did not get along with each other. They would argue and fight between the two of them all the time _____ They both commented that they did not like each other. Once NICK DE NOIA was out of the way, STEVE BANERJEE had total control over CHIPPENDALES. _____ advised that he did not believe DE NOIA's murder was connected with anything other than the CHIPPENDALES dispute. He did not believe there was any drugs involved nor any homosexual relationship that could have possibly been a motive in DE NOIA's killing.

_____ advised that sometime in 1988, the Overland Street club closed down and the CHIPPENDALES group then performed at a couple of other locations in downtown Los Angeles. _____

_____ At this time, the Los Angeles show of CHIPPENDALES moved to CARLOS and CHARLIES on Sunset Boulevard in Los Angeles.

provided the following information:

[redacted] recalls an incident at the RED UNION in the Marina
Del Rey which occurred approximately five to seven years ago.
[redacted] advised that he remembered that the Fire Department was
called out early in the morning to respond to an incendiary
device being thrown through the basement window of the RED UNION.
By the time the LOS ANGELES FIRE DEPARTMENT had arrived, the
janitorial crew had already put out whatever flames there were
with a fire extinguisher. [redacted] advised that upon his arrival
there was only smoke and some glass damage on the scene. [redacted]
further advised that he is almost positive an incident report was
filed with the LOS ANGELES FIRE DEPARTMENT, as is customary in
situations when the Fire Department responds to a call. [redacted]
does not recall what suspicions they might have had regarding the
origin of the incendiary device at that time. However, he
believes that somebody was angry at someone else, and that was
the reason for this device being thrown through the window.

Result of examination:

Nothing was found to indicate that the Q4 cartridge case (Laboratory number 11031008 S WT) was fired by K4 or K5.

Due to differences in general rifling characteristics, specimen Q2 (Laboratory number 11031008 S WT) could not have been fired from K4.

Although the general rifling characteristics of the barrel from which Q2 was fired are consistent with the barrel of the K5 pistol, due to a lack of corresponding patterns of microscopic marks between specimen Q2 and test bullets fired from K5, it could not be determined if Q2 was fired from K5.

The remaining general rifling characteristics in specimen Q3 (Laboratory number 11031008 S WT) are consistent with the barrel of K5, however, the Q3 bullet fragment does not bear sufficient microscopic marks for comparison purposes and, therefore, cannot be associated with K5.

The submitted items are being returned to your office under separate cover by Federal Express.

The following scenario occurred:

On today's date at approximately 11:10 a.m., I observed a champagne colored Mercedes Benz, four-door, with a cellular phone antenna on the back windshield, California license plate 2SJF884, parked in front of the PALLEY'S florist on Motor Avenue just north of D.B. COOPER'S restaurant. This car was readily recognizable to me from a prior physical surveillance conducted by myself at 2115 West Pico Boulevard in Santa Monica, the offices of CHIPPENDALE'S INC. The car then moved southbound out of my vision and returned northbound on Motor Avenue just south of Woodbine Avenue. The car then crossed Woodbine Avenue and parked directly behind my surveillance vehicle. At this point, I recognized the driver of the vehicle as being one STEVE BANERJEE, who had been identified to me on numerous occasions in the past, relating to this investigation. At this point, I took more photographs of the vehicle, as well as the license plate. The vehicle then moved to the front of my surveillance vehicle and stopped. I observed the driver, STEVE BANERJEE, to be sitting in his vehicle at these times and glancing over in the direction of D.B. COPPER'S restaurant which was located immediately across the street from the location of my surveillance vehicle and BANERJEE's vehicle. BANERJEE then proceeded to make a U-turn on Motor Avenue and headed westbound on Woodbine, out of my sight.

Narrative Description of Incident. Factors Contributing to Loss.

Call came in as a trash fire - upon arrival we found a garden hose attached to a gas meter at one end and lying next to the rear of Moody's Disco at 321 Santa Monica Bl. at the other end. Next to the open end of the hose was a one-gallon can of flammable liquid (probably gasoline). Both were burning. We extinguished the fire and contacted Chief Erickson, Santa Monica Police and So. California Gas Co. (C.F. ☐ Supervisor, ☐ responded and restored gas meter). We turned off natural gas to building and it was NOT turned on by So. Calif. Gas Co. We later called Edison to confirm integrity of incoming power which was involved in fire (did not appear to be damaged) and estimated time of arrival was 0800. We forced entry into front door and found charring to the inside of the rear door leading from kitchen area to area outside where we found the gasoline can and garden hose. Approximately 4 feet of garden hose was found inside the building which had been pushed through the poke-through construction. It appeared that the natural gas had been ignited before the garden hose had been pushed into the building - the fire from the gasoline can appeared to have burned through the garden hose on the outside of the building stopping the flow of natural gas going inside the building - the fire inside then appeared to have burned itself out. Damage to building confined to charring of interior side of rear exit door in kitchen, paint damage to wall and ceiling around door. The exterior sustained charring to outside of the same rear door, a cracked window near the door and a screen covering the window - smoke damage to area around door and window - possible damage to incoming Edison Company power (to be determined by Edison). Santa Monica Police Identification Technician photographed all areas and took latent fingerprints, took the garden hose, a fitting from gas meter and the gasoline can as evidence. We notified owner, ☐ of the situation, secured the building and returned to quarters.

CAPT. ☐

Incendiary device (gasoline in 1-gallon can with garden hose taped to meter at northwest corner of building running to can) - ignited at rear door to kitchen. Approx. 6 feet of hose in interior from "poke-thru" hole (approx. 4 feet above floor) to floor and turned back up - approx. 1 foot - charring interior and exterior. \$500 damage to building. Forced front door to vent and investigate. S.M. Police I.D. Technician ☐ at scene.

UPON ARRIVAL, AFTER THE FIRE DEPT. I NOTICED THAT A HOSE WAS INSERTED INTO THE
HIS WHEN ON THE WEST SIDE OF THE BLDG. THE HOSE RAN INTO A HOLE IN THE NORTH REAR
WALL OF THE BLDG. UNDER THE HOSE WAS A BURNT. 1/2 GALLON CAN. THE SUSP. OPENED THE OUTLET
TO THE MAIN GAS MAIN ON THE WEST SIDE OF THE BLDG. SUSP. INSERTED A 3/4 INCH BLACK
NYLON/RUBBER GARDEN HOSE INTO THE GAS MAIN & SECURED IT BY WRAPPING IT UP
WITH SEVERAL DUCT TAPE. SUSP. RAN THE HOSE AROUND THE NORTH SIDE OF THE BLDG &
INSERTED IT INTO A HOLE IN THE NORTH WALL UNDER MULTIPLE HOLE SUSP. THEN
PLACED A 1/2 GALLON CAN CONTAINING GASOLINE UNDER THE HOSE AND LET IT GO.
IGNITED GASOLINE CAUSED THE HOSE CARRYING NATURAL GAS INTO THE BLDG TO
CATCH FIRE & MELT, FALLING TO THE GROUND. THE BURNING GASOLINE ALONG BY THE
BURNING NATURAL GAS FROM THE HOSE CAUSED A SMOKELESS FIRE. THERE WAS
THREATENING DAMAGE TO THE NORTH REAR WALL & ALSO SOME ELECTRICAL CONNECTIONS ON THE
OUTER NORTH WALL. THE FIRE DEPT. GAINED ACCESS TO THE INSIDE OF THE PREMISES IN
ORDER TO DETERMINE IF THERE WAS AN EXCESSIVE AMOUNT OF NATURAL GAS LEAKING.
FIRE DAMAGE TO THE NORTH KITCHEN WALLY WOOD WAS ALSO NOTICEABLE. THIS WAS CAUSED
BY A LOT OF NYLON HOSE THAT WAS BURNING. BURNING THE NYLON.
THE SUSPECT TRIED TO FILL THE INTERIORS BY NATURAL GAS, USING THE HOSE CONNECTED
TO THE MAIN & IGNITING IT THROUGH THE USE OF FLAMMABLE GASOLINE.
ACTUAL DAMAGE UNIT AT THIS TIME NO MAJOR STRUCTURAL DAMAGE.

Two processed monaural copies of specimen Q6 were made, with each copy on separate sets of magnetic tape cassettes. Enhancement procedures were not effective in improving the intelligibility of specimen Q6, due to the very low levels of the whispering segments.

In order to obtain maximum intelligibility, the processed copies should be played back using a high-quality tape recorder and reviewed with headphones.

This is to record that on 7/20/92, SA [redacted] advised that STEVE BANERJEE had left the Los Angeles area on Saturday morning, 7/18/92. SA [redacted] advised that BANERJEE left with his entire family, which includes his wife IRENE, two children, a nanny, and that they had traveled to London, and would be visiting Switzerland and possibly Spain. He stated further that BANERJEE and family would be gone for approximately six weeks, although STEVE BANERJEE would be returning by himself to the Los Angeles area to attend to his business. He said that the returns trips to the Los Angeles area by STEVE BANERJEE would be short trips for a few days at a time and that BANERJEE would probably stay at a hotel when he returned to Los Angeles, inasmuch as the BANERJEE's were in the process of remodeling their house.

SA [redacted] advised that BANERJEE was traveling to Europe on business and that he was taking his family with him on a vacation, so that they could be away from their residence while they were remodeling the house.

[redacted] This is to record that on December 31, 1992, [redacted] b6
[redacted] fingerprint examiner FBIHQ, telephonically advised that b7C
he had completed the fingerprint examination of the \$54,000.
previously submitted to the laboratory for examination. He
advised that the results were as follows:

[redacted] obtained one latent fingerprint and two latent
palm prints from the bank wrapping paper containing the \$40,000.
He stated further that of the total money submitted, he developed
three latent fingerprints from two of the \$100 bills. [redacted]
advised that he compared these fingerprints with that of SOMEN
BANERJEE and determined that two of the latent fingerprints were
not identical and that the other two latent fingerprints and
palmprints were inconclusive due to the poor quality of
BANERJEE's fingerprints submitted, as well as the lack of palm
prints from BANERJEE.

[redacted] advised that he would submit a report
reflecting the above information and return the money via
registered mail to Los Angeles.

REFERENCE: Communication 11/13/92
EXAMINATION REQUESTED BY: Los Angeles
SPECIMENS: \$54,000.00 in U.S. currency
One torn bank envelope
Copy of fingerprints of SOMEN BANERJEE

This report confirms and supplements information furnished telephonically on 12/31/92.

The specimens were examined and six latent prints of value for identification purposes were developed as follows:

- One fingerprint and two palm prints on the bank envelope
- Two fingerprints on \$100.00 bill, serial #D 07273549 A, series 1990
- One fingerprint on \$100.00 bill, serial #B 59115617 B, series 1988

Two latent fingerprints are not fingerprints of BANERJEE. Two latent fingerprints were compared with the fingerprints of BANERJEE, but no identification was effected. Completely and clearly recorded impressions of all areas of the fingers are needed for conclusive comparisons. Palm prints are needed for comparisons with the latent palm prints.

The specimens are being returned under separate cover.
